

EXCELLENCE IN HEALTHCARE WITH A

The Radford Animal Hospital Wellness Programs were developed to give your new puppy or kitten state of the art health care at significant savings while being able to budget the cost, and take advantage of several **FREE** services and **DISCOUNTS**.

When you enroll in our complete wellness programs, your pet will receive the following benefits:

- 1.) Their complete series of vaccinations, including Feline Leukemia testing for cats.
- 2.) Stool examination for intestinal parasites.

PERSONAL, CARING TOUCH

- 3.) Two dewormings.
- 4.) Dogs receive monthly treatments of Sentinel, which controls not only heartworms, but also three intestinal parasites and fleas. Cats receive an injection of Program which controls fleas for six months!
- 5.) Spay or Neuter.
- 6.) Pre-Anesthetic blood testing to assess the liver, kidneys, pancreas and the ability of the blood to carry oxygen and fight infection before surgery.
- 7.) Post-surgical pain medication to ease your pets' discomfort in the hospital and when it goes home.
- 8.) Microchip placement. Microchips are small implants that are placed under the skin and serve as permanent identification should your pet become lost or stolen. Almost all animal shelters, humane societies, and veterinary hospitals have scanners that identify microchips. This is a great way to help keep your pet safe!!

All of these services are discounted a full **10%** compared to purchasing them individually.

PLUS :

While on the program, you will receive **FREE** physical exams should your pet become ill, **FREE** nail trims as often as needed, and **comprehensive handouts** on puppy and kitten behavior.

The wellness program is very affordable for Both dogs and cats

Puppies  \$108.20 per month for 5 payments

Kittens  \$100.80 per month for 5 payments

Please note: The first of five (5) non-refundable payments is due on the initial visit. Emergency examinations, hospitalization, laboratory testing, and other medications are excluded from these programs.

We hope you consider our wellness programs. They make giving your pet the very best care easier and more affordable. Please let our Receptionists, Technicians, or Doctors know if you have any questions. Thank you for entrusting us with your pet's care!
