Boarding with AMSH

At Animal Medical and Surgical Hospital, we are proud to offer boarding at both of our locations. Whether you have a dog, cat, or an exotic animal, our kennel technicians have years of experience caring for a variety of pets. We also provide day boarding should your pet need playtime while you're away for the day. Our kennel technicians are excited to be able to build friendships with your furry, feathered, or scaly friend. Here's what we offer:

- Special cat room
- Care provided 7 days a week
- Playtime at least 4 times a day
- Medications able to be administered
- Over 25 years of combined kennel experience

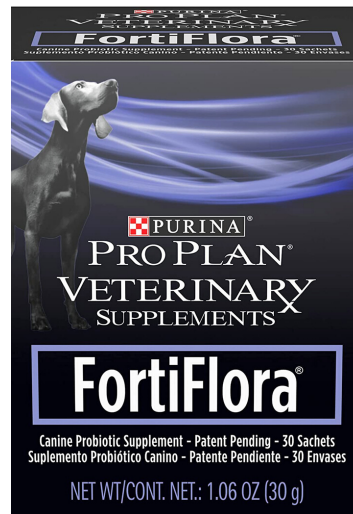

Employee of the Month

Holly Vining has been at AMSH for 4 months and has been a great addition to our Nurse team. In Holly's free time, she loves to read, craft, do DIY projects, binge watch tv shows, and explore new places. Holly recently moved here from Hot Springs, Arkansas with her husband whom she's been with for over 10 years. They share 7 furry and feather kiddos together; 3 dogs, 2 cats, and 2 birds. One of Holly's favorite parts about her job is seeing hospitalized animals get to go home! She also likes being able to cuddle all the pets that come through the door. AMSH has been extremely lucky to have Holly apart of the family. We enjoy her sweet demeanor, laugh, and willingness to always be a helping hand.

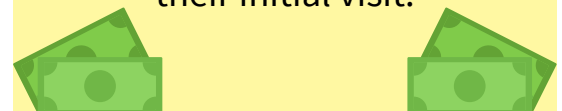

Fight Back with Fortiflora

Fortiflora is a probiotic given to dogs and puppies to support a healthy immune system and maintain digestive health. Stool quality is improved, and the intestinal system of the dog is balanced. Our hospital carries Fortiflora in powder form that is individually packaged to make is easy to spread on top of your pets meal. This supplement can also be beneficial by reducing the chance of diarrhea during stressful situations. Ask your doctor today about Fortiflora and what all it can do for your pet and what other cases it has proven effectiveness in.

GOT FRIENDS?

We appreciate your referrals!
Tell a friend about us. When they come and see us, you'll get \$10 towards your next visit and they get \$20 off of their initial visit.

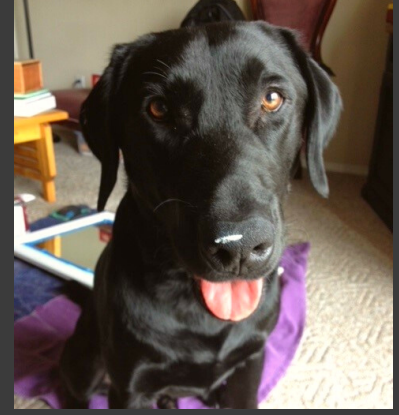

NOVEMBER PETS OF THE MONTH

TULSA

**CONGRATS TO:
REMI
JOSEY
TROOPER
& GAUGE**

BROKEN ARROW

MEET REMI

Remi, also known as Bigun, is a 6-year-old German Shepherd who loves vehicle rides in the Ford or in the Polaris UTV. One of the funniest memories Remi's dad has of him is when he was sitting in a chair watching tv with a toothpick in his mouth! His dad also says that if Bigun were to have a human career, he would be a Police Officer! Although Remi's favorite person in the world is his mom, he is absolutely nuts about all of his Kong toys. Remy has been with the AMSH family for over 3 years and is always a joy to see.

MEET JOSEY

Josey is a 5-year-old German Shepherd who can howl her own nickname; RooRoo. Josey is not a shy dog and loves to be very vocal.

She also is great at herding cows! She can even find objects that her dad hides from her. Although she loves her treats, she is obsessed with her plethora of Kong toys. Josey has been coming to AMSH for over 2 years and we love being able to spoil her during her visits.

MEET TROOPER

Trooper, also known as Puppy Boy, is a 3-year-old German Shepherd. Trooper seemed to take after his siblings and loves to play with Kong toys. When he's not playing, he likes to lay on his back or go on car rides! Trooper is also quite good at herding cows and enjoys being able to hang out with his sister, Josey while doing it. Puppyboy has been with the AMSH family for over 2 years and the staff love being able to take care of all his needs.

MEET GAUGE

Gauge, who also goes by Bubba, is a 10-year-old Black Labrador Retriever. Gauge loves going on walks with his mom and playing with his pink pig or orange duck toy! In fact, Bubba used to be a professional duck hunter and has won several ribbons from multiple trials. One of the funniest memories Gauge's mom remembers is when he was a puppy he used to try to be sneaky. He would crawl very slowly across the floor thinking no one would notice him moving! Bubba loves getting his nails trimmed and laying in his cozy spot next to the fireplace. Gauge has been a part of the AMSH family since moving to Broken Arrow back in 2015. Not too long ago, he even had an 11 lb tumor removed by Dr. McClain! He was such a champ during his recovery and made friends with all the nurses.
