

COVID 19 UPDATE

JULY 2021

Dear Clients:

As Alberta begins to reopen for the summer, we have decided to take a conservative approach to returning to normal operations.

We will be continuing to provide care for your pets, as we have been since last March, by continuing to operate with a closed door.

Appointments will still be performed while we have you wait in your car. All clients will still be required to wear a mask while in the clinic for drop offs, pickups, or retail and food sales.

Our priority is for the safety of our staff and clients and we will continue with this plan until our staff have been fully vaccinated. We will then announce the next steps in our reopening plan. Our earliest estimate for any changes in our procedures will be after August 3, 2021.

As we continue to work toward reopening, we thank you for your patience over the last 16 months.

The Castleridge Veterinary Staff
