

# VETSOURCE™

Did you know you can purchase your pet's medications and nutrition products in our online store and have them delivered right to your front door?

We've partnered with Vetsource™, the industry-leading Home Delivery pharmacy provider to offer you this convenient service. Our partnership with Vetsource means that we can continue to supply you with quality products sourced directly from the manufacturer and have them shipped right to your front door with no shipping charges.\*

## AutoShip

You can schedule regular deliveries of your pet's medications and food with no shipping charges so you'll never have to worry about running out again.

## RemindMe<sup>SM</sup>

Single doses of flea, tick and heartworm medications arrive at your front door each month on the day your pets need them. You also get the added convenience of paying for each dose individually.
