

Winter's
Dolphin Tale
Adventure

April 27, 2013

Karen and I have had a busy year. Other than losing Noelle in February, all else has been good. We are still exercising and working on our new web site so take a look when you can. It has an expanded information section and also included all the articles from the Royal Spaniels and upcoming book.

We are both happy and still loving the pups, our practice and, of course, each other. This photo was taken at the A.V.H. meeting in Clearwater Beach and if you have never seen the film "A Dolphin's Tale" you should.

We met "Winter" on that visit, and she seems to revel in the joy and hope she gives.

Please have a wonderful Holiday season, a happy and healthy New Year and, as always...

With Love and Light from our family to yours!

Last November, we helped rescue 3 cats from Sudan to acclimate and find them homes. A year later, they are still here and ARE home.
