

# With Love and Light from our family to yours!

2014 was another busy year.

Sadly, we lost our pup, "Rhedd Butler", in October. We are still getting through it, but it was quick, so that is some comfort.

We have been doing less workouts since we embarked upon a major low income spay neuter initiative for the South Florida Veterinary Foundation which took many months of our "free" time. With that program finally up and running, we are getting back into the routine, but it is amazing how quickly one can fall out of the habit.

Fortunately, all of our other pups, (and the cats from Africa), are doing well and we just realized that it has been over 5 years since Joey broke his back and he is still going strong at 10 1/2.

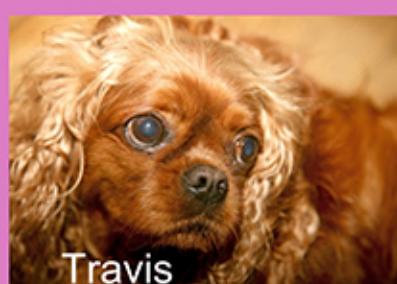

We took this picture Thanksgiving night at the Broward Center performance of "Phantom of the Opera". We wanted something candid and recent for this year. We also added a collage of patients and other candid photos from this past year.

We wish you a wonderful Holiday Season, a happy and healthy New Year and, as always...

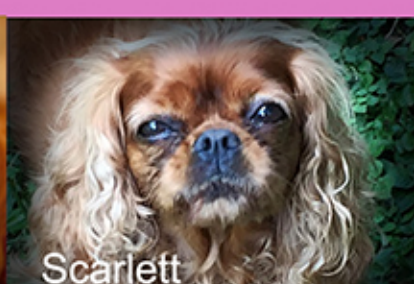

With Love and Light from our family to yours!
