

ASSOCIATE VETERINARIAN

Equine Integrated Veterinary Solutions (EIVS), is offering a position as an associate in our Alternative Medicine sport horse veterinary practice. EIVS is currently comprised of 5 equine veterinarians, all certified in veterinary acupuncture and chiropractic. Our practice consists of strictly alternative therapies, and our clientele includes many of the top show horses in the country, including Olympic horses in both Show Jumping and Dressage. We see patients in Florida during the winter months, and at competitions extending from New York to Kentucky over the spring, summer, and fall.

Though our focus is on sport horse care, we have a substantial and growing pleasure horse practice. Our practice is very team oriented. We routinely collaborate on cases and clients, and our new associate will have the opportunity to be mentored by veteran practitioners of acupuncture and chiropractic.

QUALIFICATIONS:

A doctorate of veterinary medicine (or equivalent) is required for this position.

This position is based out of our Brewster, NY headquarters and requires travel including but not limited to the states of Florida & Kentucky to service clients.

The ideal candidate excels in a team environment and brings a positive, workmanlike attitude along with strong communication and inter-personal skills.

BENEFITS:

This is a full-time, salaried position.

Employer-sponsored health insurance is provided.

Paid time off is provided annually.

401K options available upon hire.
